WEDNESDAY .... JANUARY 11, 1882.

We understand perfectly the Readjust-are theory of the debt. They propose to e" 48 per cent. of the consols, and 33t per cent. of the peelers (or the the ground that the Legislature of 1871, and Governor WALKER, and other officials, issued bonds for more money than the State then owed. We call this "elimination" repudiation for reasons which we have often set forth and the existence of which no Readjuster will deny. Let us again look into the matter.

The bonds now out were all issued by To authorize the voters of Waynesboro' and vicinity to decide by popular vote on the propriety of selling intoxicating liquors within certain limits.

In relation to the division of school distinct with the properties of th tioa" repudiation for reasons which we

ble for the State to issue any bonds binding tricts into sub-districts, &c.

To loan fifty stand of arms and four are not such bonds. They were issued under a law passed by her own Legislature, bearing the sign-manual of her own Governor, and which law has since been declared by her highest court to have raised a contract between her and her creditors which she is bound to respect. If the prewhich she is bound to respect. If the present Legislature shall pass a law authorizing new bonds to be issued, and this law shall bear Governor Cameron's signature, and shall be declared a valid law in by the Court of Appeals to be elected this port setting forth facts in accordance with the bulletins of the Board of Health as published in the Dispatch, which report, on motion of Mr. Koiner, was laid on the taclaim to be considered binding upon the ble. State which was not possessed by the bonds issued in 1871. If the State can repudiate thirteen millions of her bonds at this late at the request of the committees of the two day on the ground that the Legislature of houses on Agriculture—a resolution disday on the ground that the Legislature of 1871 and Governor WALKER had no right to issue them, she can in 1892 repudiate thirteen millions of the RIDDLEBERGER the Committee on Agriculture. bonds on the ground that the Legislature of The resolution was agreed to-ayes, 22; 1882 and Governor CAMERON had no right noes, 14. to issue the bonds they now propose and purpose to issue. Mr. Massey and Mr. General Laws, but the idea was to have the two committees (of the House and Senhave claimed, that the Federal Government ate) act together.

Mr. Willcox asked that the committee ought to pay Virginia's debt, and that she owes none of it, being a conquered province and having had all her slaves taken on the table. from her by force; that the property upon which the debt was based having been stolen by our conquerors, the debt ought to be paid by these conquerors. This plea would be as full justification for the repudiation of the Riddle England Eng to be paid by these conquerors. This plea

tlement preclude further agitation? Will there be no new leaders to raise a new revolt and declare for the repudiation of all but ten millions of the debt?-nay, all of it? If the State really owes, principal and interest, only twenty millions of dollars, and pays twenty millions, there will 24 and 25 of chapter 180 of the Code of 1873, have been no compromise in her favor, and no abatement whatever of to pay her whole debt? Is she not entitled to have some portion of it stricken off in ring the war, and the forcible emancipation of her slaves, which last measure destroyed hundreds of millions of dollars of her property? Why shall there not be such new MAHONES to lead a new party clamorous for a more perfect and more righteous readjustment? Are these fears chimerical? Look at the case of Louisiana. The Chicago Tribune others came up.

Mr. WALKER moved to add the names of

of the WALKER bonds? Will the new set-

says that the original debt was scaled 40 William I. Clopton and A. S. McRac. Vacancy.

On motion of Mr. Hamilton the House on Tuesday the 3d instant. on the reduced principal; that the State pledged herself to pay this, and the pledge was incorporated in the revised Constitution which was adopted by the people; and that now the Legislature in extra session has passed a revenue bill which apporof shame left to our State." This is ex-actly what may be expected in Virginia. in some striking case where a departure from the general rule was warranted. Mr. tion of the entire debt just as soon as the Riddister) opposed.
